455 West Fort Street
Detroit, Michigan 48226

Attention: Mr. Wm. Everett Medling

Gentlemen:

The alternate sketches for cableway cut-outs prepared by SH&G have been reviewed, and the approved scheme is attached for your review and action. Note that the cableway space has been considerably reduced to minimize the column enclosure. Be advised that the requirement for cableways between columns has been eliminated and that the enlarged column enclosure need not be provided at the Third Floor.

Sincerely,
